### Letter from Mayor Lane

02-11-2022

Dear Resident,

There will be a grand opening of another business in Hawthorne. Fat Moe's Grill is opening at 602 Lafayette Avenue. The ribbon cutting will be tomorrow, Saturday, February 12, 2022 at 10am.

The Police Department's traffic bureau is continuing to work on the safety of our roads for our pedestrians. They will be asking our Council Ordinance Committee to review several locations in the Borough to place a 4-way stop sign.

It is with great joy that I send congratulations to Hawthorne High School seniors Briana Andreoli and Michael Palmer for both signing a National Letter of Intent to their respective colleges: Briana to NJIT for soccer, and Michael to Rider University for track and field. Good luck!

Our totals as of this morning are 4,998 total cases since March 2020, and there were 36 additional cases since February 4, 2022.

The Borough Hall remains open to the public, and masks are not mandatory if you are vaccinated. However, if you are not vaccinated, masks will be required.

The Neighborhood Preservation Program committee members continue to work on the Implementation Plan that is due to the State of New Jersey next week. The committee has worked hard putting together a plan, and they are looking forward to sharing that after approval by the state.

Have a good weekend and stay safe.

Sincerely,

Mayor John V. Lane
