

DRUG IMPAIRED DRIVING— IT'S NO ACCIDENT!

September 16th, 2022

9:00am to
11:00am

Guest speakers:

JENNIFER CIFALDI

Illinois Traffic Safety Resource
Prosecutor and Speaker for the
National Marijuana Initiative

ROSALIND THOMPSON

'Shifting Gears' Presented by
Rosalind Thompson, Senior Public
Relations Specialist, AAA Northeast

ATTENDEES WILL:

- Learn about the notable differences between Driving Under the Influence of Alcohol and Driving Under the Influence of Cannabis.
- Understand the obvious indicators of impairment on a cannabis stop and what tools officers will use to detect them.
- View videos of individuals under the influence of cannabis and understand the cognitive impairment that occurs with cannabis juxtaposed with the physical impairment one might see with someone under the influence of alcohol.
- Learn about useful training programs that are available to remove dangerous drivers from the roadway.
- Learn about the cognitive and physical effects of marijuana use (including reaction time, visual perception, and impact on brain development).
