LANDSCAPE RULES AND REGULATIONS

The use of the compost site is a privilege, not a right. The DEP has made the rules governing the use and maintenance of a compost site far stricter than it has been in the past. Downes Tree Service, the current operator of our site, has the right to revoke the permit of any landscaper that does not adhere to these rules. To use the site you must agree to the following rules:

- Only leaves from the Borough of Hawthorne can be brought to the site. If the contractor feels you are abusing your permit, he can revoke it.
- There can be no debris in your material. Coffee cups, metal, and paper are all considered debris. You must bring in clean loads.
- You cannot dump your material if there is no staff on site.
- You must place the permit on the rear bumper of the vehicle. Each vehicle needs its own sticker.
- *Absolutely* no grass. We can lose our permit if grass is brought on site.
- You can only dump in the designated area. It will be clearly marked.
- You may dump from 7 a.m. until 3 p.m. If additional hours are necessary, please call the recycling office. We will try to accommodate the needs of the landscapers.
- You must provide an up-to-date accurate customer list, with address and phone numbers. Spot checks will be done.

I agree to these rules. _____ Date _____

Company Name: _____ Phone _____

Address: _____

Number of Trucks: _____ License Plates: _____
