One employee would be required initially, and possibly three employees in the future, for the operation of the business. Four on-site parking spaces are available in the front of the property with four or five spaces also available if needed in the rear of the property. No exterior changes to the premises are proposed. A motion was then made by Mr. Ruta, seconded by Mr. Matthews and approved by a vote of 7-0 to grant the application for certificate of compliance plan review subject to preparation of a memorializing resolution by the Board attorney.

**OLD BUSINESS** – None

**NEW BUSINESS**

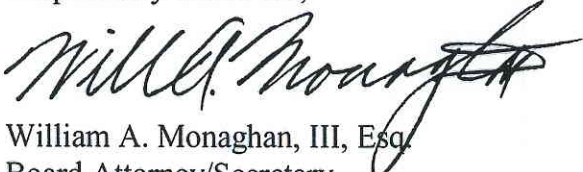

1. In accordance with the Municipal Land Use Law, the Board reviewed proposed Ordinance 1953-08, scheduled to be considered for final passage at a meeting of the governing body on September 17, 2008. Mayor Goldberg advised the Board that the adoption of the ordinance, which would remove any restrictions on political signs in the Borough, was required by the terms of a settlement of pending litigation contesting the validity of the existing sign ordinance. Board members raised questions regarding the possibility of imposing some regulations on political signs but Mayor Goldberg indicated that based on constitutional free speech principles, repealing the existing restrictions was necessary to comply with current case law. While recognizing the necessity for the ordinance change as part of the settlement of the lawsuit, Board members expressed concern regarding the absence of any limits on the size, number and duration of political signs which will now be permitted. A motion was then made, seconded and unanimously approved to recommend the adoption of the ordinance while expressing the concerns of the Board regarding the lack of any limits on political signs.

**PUBLIC**

The meeting was then opened for public comment without response.

The meeting was then adjourned at 8:10 P.M.

Respectfully submitted,

  
William A. Monaghan, III, Esq.  
Board Attorney/Secretary
