

- The Borough of Hawthorne's Recycle Coach™ app helps you quickly find what you need to know about waste & recycling, including your personalized collection schedule.
- One popular feature is reminders – how cool is that to get a helpful reminder the evening before recycling pick-up? Residents can also set a reminder for any of the Borough of Hawthorne's recycling and waste related events, such as the Passaic County Household Hazardous Waste Collection Event.
- The Borough of Hawthorne's Recycle Coach™ app also asks the provocative question 'What type of recycler are you?'. This 3-minute quiz provides you with a comprehensive evaluation based on several criteria, including knowledge about what should and should not be recycled in the Borough of Hawthorne.
- Have you ever wondered how to get rid of or recycle an item? If so, you're not alone, and the 'What Goes Where?' search tool is a dream come true – it is simple to use and provides instant access to local recycling and disposal information for any material.
- The Recycle Coach™ app is free to download and it is available from the [iTunes Store](#) and [Google Play](#). There is a quick one time set-up process to personalize the information to where you live that includes setting up your personalized pick-up and event schedule.
