Mayor's report-

Wag complex, spring cleanup is complete and all of the clay has been graded and groomed. Waiting for nets, purchased in February. Little Franklin, spring cleanup is complete and clay has been turned over and graded. Big Franklin. A spring cleanup has been done in the infield area. The mound is being rebuilt and clay worked on. The out field is still covered and will remain covered for another week to try and promote grass growth. The entire field should be open and cleaned-up before April 1st as well as the Lacrosse field painted for their opening game. Tennis and pickleball courts have been cleaned and are open, as soon as the field work is complete, we will be installing the second pickleball net. Vet's field, we will start the spring clean up as close to April, giving maximum time for grass growth. It will be open and painted for soccer.
