IX. Native Plant – Sidewalk and Curb Area Discussion - November 2025 Minutes - A Hawthorne resident requested clarification on planting Native Plants between the sidewalk and the curb - grassy area. She received a warning for the plantings. Rita will take a photos and send them to Rayna for review. Rita will research for the appropriate native plants to be planted between the sidewalk and the curb.

December 2025 Discussion - It appears 3 neighbors are planting native plants on 2nd Avenue. On November 14, 2025, Rita sent photos to Rayna – it appears that some of the native plants have been pruned while others just withered. Discussion -types of native plants and the appropriate height. Rita provided a list of native plants – ground cover, carexes, and grasses. Source: https://npsnj.org/wp-content/uploads/2023/01/BBP_Going_Native_Northern_NJ_Edition_2022.pdf

Discussed a 12 inch growth height seemed to be acceptable but it appears some of the plants may grow several feet higher. Maureen was asked to check with Nick, Lincoln Landscape, and verify actual native plants that could be suitable in this area.

- X. 8 Acre Woods.. Platform destroyed will be rebuilt by DPW. Funding will be provided to DPW by the Environmental Commission.
- XI. Terra Cycle - Kathy came to Rayna about cigarette butt pollution on Diamond Bridge Avenue at the recent Help the Hawthorne BEE Defeat Litter event. At the Sustainable Jersey award ceremony in November 2025, Rayna met Paula, Environmental Chair in Medford NJ. The Medford Environmental Commission worked with Terra Cycle and collected and sent cigarette materials free of charge to be recycled. Kathy will call Paula and gather information on the box size container for the cigarette materials and how Medford runs their recycling operation. Maureen suggested one box at the municipal building. Liquor stores and restaurants are being considered for next phase. Let's do an initial phase at the municipal building. Based on the Terra Cycle's website, it states that one (1) box is \$133.
- XII. Update on Issues and Commissioners Concerns:
 - a. Learned that Christmas tree light cords can be recycled. All electronics that have a plug or corded products can be recycled at Hawthorne's Recycling Center.
