Dear Friends,

The Borough suffered a terrible loss with the passing of Councilman Sinning in November of 2019. He was truly a dedicated public servant, and he will be missed.

As is our yearly practice, we issue a Borough Calendar which is filled with information about Hawthorne: public events, garbage and recycling schedules, yard waste and leaf pickup schedules, as well as youth sports information, and much more. With our website, TV community bulletin board, and our Nixle messaging system, there’s never an excuse not to know what is happening in Hawthorne. Hawthorne is a great place to live, and it maintains its small-town feeling. What makes Hawthorne so special is its great volunteer spirit and neighbors who care about one another.

Please refer to the calendar throughout the year. Best wishes for a happy and healthy 2020.

Mayor Richard S. Goldberg

## YOUTH AND SENIORS SERVICES

### SERVICES FOR SENIORS

**SHOPPING TRIPS FOR HAWTHORNE SENIORS**

The Borough of Hawthorne provides transportation for Hawthorne senior citizens to area shopping malls monthly (see website for details). Any Hawthorne senior citizen who would like to participate in the shopping trips should be at the corner of Grand Avenue and McKinley Avenue on the designated date by 9 am. The bus returns to Hawthorne around 2:30 pm. Reservations are not needed, but limited seating is on a first-come first-serve basis. Quarterly special trips (i.e.: Sands Casino) are also organized. Please see our website at www.hawthornenj.org/seniorcitizen.cfm or call at 973-427-1231 for further details. You can also visit the Louis Bay 2nd Library website for additional programs at www.hawthornemccs.org.

### NUTRITION SITE

Passaic County provides lunch every weekday for senior citizens at the Hawthorne Ambulance Corps Building, 790 Goffle Road in Hawthorne, from 11 a.m. -1 p.m. Contact the center at 973-423-1027 for details.

### SENIOR CITIZENS ORGANIZATIONS

- **Golden Circle**
  - Meets at the Louis Bay 2nd Library
  - 345 Lafayette Ave, on the 1st and 3rd Thursday of the month at 12:30 pm.

- **Golden Horizons**
  - Meets at St. Anthony’s Church
  - 276 Diamond Bridge Ave., on the 2nd and 4th Friday of the month at 1:00 pm.

### Medical & Dental Appointments

Volunteers provide rides, by appointment, to Hawthorne senior citizen residents who need transportation for medical and dental appointments. Call (973) 427-5555 ext. 340 to leave a message if you need this transportation assistance.

This program is NOT for emergency service and cannot be used for admission or discharge from a hospital or nursing home.

Passengers must be able to get to the vehicle on their own. A personal care attendant may accompany a passenger to assist on the trip, but must travel to and from the same destination.

Passengers are required to schedule ride requests 24 hours in advance for in-town appointments and 48 hours in advance for out-of-town appointments, and are encouraged to call as soon as the appointment is made. Passaic County also provides transportation for medical and dental appointments. Call (973) 305-5756 for details.

HAWTHORNE COMMUNITY CALENDAR

Hawthorne Municipal Alliance

What is the Municipal Alliance?

The Hawthorne Municipal Alliance is a volunteer community organization that focuses its efforts towards the prevention of Alcoholism and Substance Abuse.

Established by the Borough Council, the Alliance is a coalition of parents, educators, elected officials, police, administrators and students who are concerned about alcohol, tobacco and drug use in our community.

The Alliance works closely with local municipal officials, law enforcement, school personnel, Borough organizations and residents to support local programs and alcohol/drug free events.

Meetings of the Municipal Alliances are open to the public and all are encouraged to attend.

What Can You Do To Be A Winning Parent?

- Talk to your kids about the consequences of alcohol and drugs, AND don’t be afraid to talk to your kids’ circle of friends. Set and communicate clear rules — be direct about your expectations and the consequences of your child’s actions.
- If your teen is attending a party, call the parent host to ensure there will be appropriate supervision and no alcohol. Call your friends’ parents and make sure you’re all on the same page about underage drinking and how your child is getting to and from the party. ALWAYS give your child permission to call you at any hour for any reason for a ride. Help your child identify another adult they trust and can also call at any time for help.
- Be a good role-model for your child.
- Help your teen to make good choices.
- Talk to older siblings about the consequences of supplying alcohol to younger brothers and sisters or their friends.

Sponsored Alliance Programs

Through Grants received from the Governor’s Council on Alcoholism and Drug Abuse (GCADA), the Hawthorne Municipal Alliance educates, provides healthy programs and gives valuable information to our town residents. Funding is distributed to the Alliance annually by the County of Passaic.

ROAR

A comprehensive K-8 program developed by our police departments experience working with students that has replaced DARE.

Junior Police Academy

A partnership between the Hawthorne Police Department and the Boys & Girls Club of Hawthorne designed for students in grades 6-8. Students are required to complete an application that includes a pledge not to possess or use tobacco, alcohol and drugs.

Project Graduation

The Alliance will co-sponsor Project Graduation for all graduates to reduce risk taking and celebrations with alcohol. Year long preparations will reinforce the no use message.

PD/NJ Leadership Camp

A week-long summer camp attended by students entering the sixth grade. Run by police officers with cooperation from the school district and the NJ Army National Guard to teach leadership skills, drug and alcohol awareness and prevention and discipline.

Peer Leaders

Teens are trained as role models to reduce the negative influence by peers by building positive peer leaders through the Elks training.

Those Who Host, Lose The Most: Don’t be a party to teenage drinking is a public awareness campaign run during prom and graduation season. The objective is to educate parents about the health, safety and liability risks of serving alcohol at teen parties and increase awareness of underage drinking laws.

ALL CALLS ARE CONFIDENTIAL!

SNOW AND ICE REMOVAL
SECTION 444-14 REMOVAL REQUIRED
It shall be the duty of the owner or owners, occupant or occupants of any premises abutting or bordering upon any street, avenue or highway in the Borough of Hawthorne having a public sidewalk to remove or cause to be removed all ice and snow from the public sidewalk in front of the said premises within eight hours of daylight after the same shall have been formed thereon.
No snow or ice may be removed from the sidewalk into the street, avenue or highway. Ice and snow shall be removed for the full width of the sidewalk or 48 inches, whichever is the lesser.

CLEAN COMMUNITIES
If you are a member of a community group and would like to plan a clean up project, call 973-427-5330 for information.

STORM DRAINS
What is the major source of water pollution? Believe it or not, it is the habits of the regular person that have become the most significant source of water pollution. Storm water runoff, along with nonpoint source pollution, are the technical terms for the water that falls on the ground when it rains and gets into our rivers through the storm drain system.

In plain terms, whatever goes in those grates that are in the streets, goes into our rivers, and into our oceans. Throw garbage into the storm drain and you are throwing garbage into the river. The storm drains are not connected to the sewer system. Storm water gets carried DIRECTLY to the river.

www.hawthornenj.org
A GUIDE TO HEALTHY HABITS FOR CLEANER WATER

Pollution on streets, parking lots, and lawns is washed by rain into storm drains, then directly into our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pet waste, pesticides, detergents, grass clippings: you name it and it ends up in our water.

Stormwater Pollution is one of New Jersey’s greatest threats to clean and plentiful water, and that’s why we’re all doing something about it.

By sharing the responsibility and making small, easy changes in our lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it’s dirty. As part of New Jersey’s initiative to keep our water clean and plentiful, and to meet federal requirements, many municipalities and other public agencies including colleges and military bases, must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted. (Borough Ordinance No 2024-10)
- Look into alternatives for pesticides.

- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.
- Make sure you properly store or discard any unused portions.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paint.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local water bodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Contact your municipality, county, or facilities management office for the locations of hazardous waste disposal facilities.

KEEP POLLUTION OUT OF STORM DRAINS

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that they are connected to local water bodies.
- Do not let sewage or other wastes flow into a stormwater system.

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people’s property.
- Make sure you know your town’s or agency’s requirements and comply with them. It’s the law. And remember to:
  - Use newspaper, bags or pooper scoopers to pick up waste.
  - Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
  - Never discard pet waste in a storm drain.

DON’T FEED WILDLIFE

- Do not feed wildlife such as ducks and geese in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

DON’T LITTER

- Place litter in trash receptacles.
- Participation in community cleanups.

DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

**Vegetative and Yard Waste**

- Vegetative waste collection at the curb begins April 1 and ends October 28 (once a week pick up on your yard waste day).
- In November and December—Leaf collection (bagged or in barrels at curb) on your yard waste day.
- For Leaf pick up on the street; please consult the Leaf Schedule (see pg. 17 of this calendar).
- Leaf bags are available April—Oct. at Recycling Center 3 / $1.00
- With the exception of Christmas tree recycling in January, there is no vegetative waste collection in January, February, and March.

**Curbside Collection**

All yard waste, including grass clippings, leaves (seasonal), twigs, shrub trimmings, and tree branches up to two (2) inches in diameter and up to four (4) feet long can be left at curb, bagged, bundled or placed in containers (maximum size 32 gallons). Please have yard waste at the curb by 7 a.m. on your day or the night before.
- Plastic bags are prohibited for vegetative waste.

**DROP OFF at Recycling Center**

You may bring yard waste (NO GRASS) to the Recycling Center during regular hours: Monday through Saturday 9 am to 4 pm, Sunday 11 am to 3 pm

**NO GRASS ACCEPTED!**

**MULCH COMPOSTING:** Is available to residents free of charge & can be picked up at the Recycling Center during the Centers regular business hours Sunday thru Saturday.

Compost material is generated by the town & residents who bring leaf & yard waste to the center.

Composting is Nature’s Way of Recycling Material. Please see more information on the Borough’s Website for the good things our Environmental Commission Team & Green Teams are doing & any upcoming events.

**Shade Tree Commission & Borough Trees**

**“DON’T CUT, CALL...”**

The Hawthorne Shade Tree Commission (HSTC), created under Borough Ordinance 45-33, is our official Borough organization for the health and management of Borough trees. Each year the HSTC plants shade trees throughout the Borough. If you would like to request a tree to be planted in the Borough right-of-way at your property or have any other concerns regarding trees, please call the Shade Tree message line at 973-427-5555, ext. 219 or online www.hawthornenj.org/shadetree.cfm.

- The Borough’s right-of-way is generally a 10-foot strip that extends from the edge of the street onto a property. If a tree is partially or totally within this right-of-way, the tree belongs to and is maintained by the Borough.
- Trees in the Borough right-of-way may NOT be damaged, trimmed, have roots cut, altered or items placed on them in ANY way. They may NOT be removed without first receiving permission from the HSTC.
- **Borough Ordinance Chapter 491.**
- Work being done on property that may affect or impact a Borough tree requires that the HSTC and/or designated Borough officials review the scope of the work PRIOR to work commencing at the property.

**Types of work that typically impacts Borough trees and requires review may be as follows:**

1. Sidewalk repair or replacement
2. Building foundation or site work
3. Sewer (wastewater) line work
4. Driveway work
5. Potable water (drinking water) line work
6. Roadway work

---

**CHRISTMAS TREE RECYCLING**

Christmas trees and wreaths (w/out wires) will be recycled on your regular Yard Waste day during January. After January 31, trees can be brought to the Recycling Center. Place trees and holiday greens at the curb as follows:

- **Remove garland, tinsel, lights, decorations, and tree stand.**
- **Remove wire** used to secure tree, wreaths, and greens
- If a tree disposal bag is used, **remove the bag** from tree when disposing at curb and throw the bag in the garbage.

BOROUGH OF HAWTHORNE — **2020** **Leaf Schedule**

* For safety and efficiency, we encourage residents to use brown paper leaf bags or barrels instead of raking leaves into the streets.

The Borough will provide three (3) ways for RESIDENTS to dispose of leaves:

1) Bag your leaves for weekly collection on your “yard waste” day collected by GAETA Co. Starting **Tuesday, November 3rd** you may put your leaves to the curb on your regular yard waste collection day in six (6) barrels or (6) brown paper bags.

**NO PLASTIC BAGS will be allowed.**

- and / or -

2) Bring your leaves to the Recycling Center:

- The center is open from 8:30am until 4:00pm, Monday through Saturday and from 11:00am until 3:00pm on Sunday.
- and / or -

3) Rake your leaves to the curb per the following **DPW Schedule below:**

- **Not Closer than 15 Feet to any Storm Drain**
- Leaves can be raked to the curb a week before your scheduled date.
- The leaf collection schedule can changed due to weather conditions, equipment breakdown and emergencies.
- This schedule will **start** picking up on the street on **the week of 10/26**

---

**FREE BAG PROGRAM**

- Beginning **Saturday, October 17th** and continuing through the month of November, residents with proof of residency will be able to pick up their **15 free leaf bags** from the recycling center, **WHILE SUPPLIES LAST.**

- Free bags will **NOT** be given out at the Municipal Building.

- Additional / Off Season Bags can be purchased - 3 for $1.00

*Leaf information line: 973-427-5330*

---

**2020 DPW LEAF SCHEDULE**

**Please note:** DPW will collect your leaves at curbside by WARD / ZONE. The Leaf Schedule can change due to weather conditions, equipment breakdown & emergencies. Collection will begin the last week of October through the end of December.

For safety reasons, we encourage residents to use brown paper leaf bags or barrels, instead of raking leaves in the streets.

**Borough of Hawthorne Fire Prevention Bureau**
**January 2020 NOTICE**

OWNERS OF RENTAL PROPERTIES & TENANTS

The New Jersey Uniform Fire Code requires a Certificate of Smoke Detector Compliance for ALL transfers of property AND changes in tenancy. (N.J.A.C. 5:70-2.3)
The Borough of Hawthorne requires a Continued Certificate of Compliance inspection of all properties PRIOR to sale or transfer of ownership. In addition, the Borough requires all rental premises or units used for dwelling purposes, except owner-occupied premises, with not more than two rental units to be registered with the Municipal Clerk’s office.

**WHAT THIS MEANS:**
Sale or Transfer of Ownership Prior to the sale or transfer of ownership of any property, a Certificate of Continued Compliance and Smoke Detector Compliance must be obtained. This requires a physical inspection of the property. This application is available through the building department at Borough Hall.

**Change of Tenancy**
Prior to a change of tenancy (renter) a Certificate of Smoke Detector Compliance must be obtained for all rental units (apartments). This application is also available through the Building Department at Borough Hall. A physical inspection is not required for rental units, but the owner or agent must present a notarized application stating that all required smoke detectors are in place and working.
