

COMMUNITY HEALTH LAW PROJECT

WE ARE HERE FOR YOU!

In the midst of the COVID-19 pandemic, many individuals with disabilities need legal assistance navigating issues related to:

- Housing, including rent and mortgage obligations, eviction, or need for repairs
- Stimulus check issues
- Unemployment benefits
- Health insurance coverage
- Food Assistance
- Wills, Powers of Attorney, and Advance Directives
- Family matters such as child support, visitation, or domestic violence
- Other issues that may be affecting them during this crisis

If you are a person with a disability and need legal help, please call one of our offices closest to you. A staff member will get back to you as soon as possible. Stay healthy!
