*Summer 2023*

## Summer in Hawthorne

Our small boro is big on amazing things to do this summer.

First, is always the **Hawthorne Memorial Pool Complex.**

Swimming, tennis, picnic, and playground. There are many special events so make sure to look for them.

Take a hike at **8 Acre Woods** and discover native plants and many species of birds and wildlife.

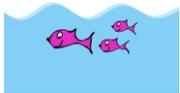

## Summer Safety Tips

Be sun smart, wear hats, sunglasses and sunscreen.

Practice water safety. Learn to swim and NEVER swim alone or unsupervised. Do not run, jump, or push others in the pool.

Ride your bike safely. Wear a helmet and be aware of traffic and pedestrians.

Protect yourself from bug bites and poison ivy.

Practice playground safety. Make sure the equipment is safe to use and not too hot to touch. Be mindful of others in the area.

Hydrate, hydrate, hydrate. Always drink plenty of water.

Be sure to dispose of all trash and recyclables responsibly.

**Have a fun summer and be safe!**
