Proof of residency is required with all Resident Permit Applications. Proof will be established by a valid driver's license and any of the following documents: 1) current utility bill 2) current bank statement 3) signed lease or current property tax bill. **Leased or Company vehicles** must be principally garaged at your Hawthorne address. You must present a letter from your company, on company letterhead, including the name, title, and phone number of your supervisor stating that the vehicle has been assigned to you and that you maintain control over the vehicle at all times. A residential parking permit does not guarantee or reserve a parking space.
