

## **TABLE OF CONTENTS**

### **Acknowledgements**

#### **I. Introduction**

#### **II. Land Resources**

- Geology
- Soils

#### **III. Air Resources**

- Air Quality
- Climate

#### **IV. Biological Resources**

- Vegetation
- Wildlife

#### **V. Hydrology**

- Water Resources

#### **VI. Natural Resource Use**

- Land Use and Open Space
- Transportation

#### **VII. Historical References**

#### **VIII. Noise**

#### **IX. Literature Cited**

## FIGURES AND TABLES

<b>Name of Figure</b>	<b>Label</b>
Geologic Map of New Jersey Bedrock Geology	Fig. 1
Physiographic Provinces of New Jersey	Fig. 2
Map of Bedrock Geology	Fig. 3
Map of Sedimentary Deposits	Fig. 4
Map of Soil Types	Fig. 5
Sketch of Soil Horizons	Fig. 6
Distribution of Soils in Hawthorne	Fig. 7
Circular Graph Plot of Wind Direction	Fig. 8
How to Plant a Tree	Fig. 9
Shade Tree Condition	Fig. 10
Shade Tree Diameter	Fig. 11
Shade Tree Species	Fig. 12
Hydrologic Cycle	Fig. 13
Map of Public Community Wells in Hawthorne	Fig. 14
Area of Water Diverted	Fig. 15
Recharge of Ground Water in Aquifer	Fig. 16
Map of Watersheds and Streams in Hawthorne	Fig. 17
Map of Passaic River Watershed	Fig. 18
Diagram of Floodplain Areas	Fig. 19
Map of Floodplains and Wetlands	Fig. 20
Map of Proposed Wagaraw Road Redevelopment Study Area	Fig. 21
Map of Open Space and Recreation	Fig. 22
Map of Transportation	Fig. 23
2019 American Community Survey Commuter Transportation	Fig. 24
Decibel Comparison Chart	Fig. 25
<b>Name of Table</b>	<b>Label</b>
Limitation of Soil for Engineering Purposes	Table 1
Health Cautions for Pollutant Standard Index	Table 2
Air Quality Index (US Environmental Protection Agency)	Table 3
Air Quality Measurements for Passaic County	Table 4
Temperature & Precipitation at Charlotteburg Reservoir, NJ	Table 5
Native Plant Species	Table 6
Invasive Nonindigenous Plant Species	Table 7
Cool Cities Tree Species List	Table 8
Wildlife Habitat supported by Soil Types in Hawthorne	Table 9
Animal Species Common in the Piedmont Geologic Province	Table 10
Rare Invertebrate Species of Passaic County	Table 11
Rare Vertebrate Species of Passaic County	Table 12

Bird Species Observed	Table 13
Rare Plant Species and Ecological Communities	Table 14
NJDEP Definitions of Species Status	Table 15
Fish Sampled from Goffle Brook	Table 16
Fish Sampling of Passaic River, Paterson	Table 17
Active Public Community Wells in Hawthorne	Table 18
Municipalities Serviced by My Water System	Table 19
Brownfield Inventory and Prioritization	Table 20
Active Contaminated Sites in Hawthorne	Table 21
Known/Suspected Contaminated Sites in Hawthorne	Table 22
Underground Storage Tanks in Hawthorne – Active Remediation	Table 23
Underground Storage Tanks in Hawthorne – Compliant Tanks	Table 24
NJPDES Permits for Discharging Water of Hawthorne	Table 25
Summary of Statewide Susceptibility Ratings for Community Water System	Table 26
Summary of Susceptibility Ratings of Drinking Water Sources	Table 27
Linear Morphometry of Goffle Brook and Deep Brook	Table 28
Deep Brook Water Chemistry – Site A upstream / Site B downstream	Table 29
Deep Brook Water Chemistry	Table 30
List of organisms sampled in Deep Brook, Goffle Brook, Bear Swamp Brook	Table 31
Fish sampled in Goffle Brook	Table 32
Fish sampled in Deep Brook, Goffle Brook, and Bear Swamp Brook	Table 33
USGS Water Quality Data for the Passaic River	Table 34
Fish Sampling of Passaic River, Lackawanna Bridge Paterson	Table 35
Fish Sampling of Passaic River Elmwood Park Marina Park	Table 36
Noise Reduction Levels	Table 37
