

FIS GLOBAL Terms & Conditions

FIS Global charges a convenience fee to use this service to make credit card and ACH direct withdrawal payments. The convenience fee will be included in your total payment.

Completion of a payment transaction is contingent upon both the authorization of payment by your credit card company and acceptance of your payment by the governmental agency you are paying. In the event that your payment is unable to be processed or authorized by your card company or if the Borough of Hawthorne fails to accept your payment, your payment liability shall remain outstanding and unpaid and you will be subject to all applicable penalties and interest charges assessed by the Borough of Hawthorne all of which obligations remain your sole responsibility.

Users who are making a credit card payment or a direct debit of their banking account are reminded to complete the e-filing process. You must complete the e-filing process for your taxes or water charges to satisfy your obligation.

Only currently due taxes and water charges may be paid online. Credit card and direct bank debit payments for delinquent taxes and water charges will only be accepted at the Borough Tax Office so that interest on late payments can be calculated and added to your payment. Any attempt to pay delinquent taxes or water charges with a credit card or direct bank debit online will result in the transaction being reversed. You will still be responsible for the convenience fee and your credit card or bank account will be charged for that amount even though the transaction has been reversed. Interest on taxes and water charges will continue to accrue.

By clicking “Pay Tax Bill” or “Pay Water Bill” below to proceed to the FIS Global website, I am acknowledging that I have read, understand and accept the above Terms and Conditions for making online payment of my Borough of Hawthorne Tax and/or Water Bill.
